The Pinal County Democratic Party will have its Open House for their 2018 campaign office on Friday, March 2, 2018. The address for the office is 345 W Central Ave., Suite 1, Coolidge, AZ 85128. Guests are welcome to drop by between 4 and 6pm to check out the facility, learn about what will be going on at this location during this election cycle and meet candidates and officers of the organization.

This office will be supporting campaigns for legislative candidates for LD8, 11 and 16 as well as state-wide and national candidates during the 2018 election cycle. Information will be available on the candidates and other issues that may be on the ballot in the Fall. Staff will be available to answer questions and give out campaign materials. Voter registration forms and sign up for the Permanent Early Voter List (PEVL) will be on hand as well.

We will have periodic events at the office with opportunities to meet candidates from up and down the ballot. Announcements will be posted in local media as well as available to check out on our web page: www.pinaldemocrats.org/events.

We invite all that are interested in learning more about the Democratic Party, its candidates and events and opportunities to volunteer to drop by, have some light refreshments and find out how to get connected with the political process here in Pinal County.
