

Precinct Committee Person

Pinal County Democratic Party

2017-18

We Need a Few Good People

Precincts are where elections are **won** or **lost**

The precinct is the smallest political unit in the country. A precinct cannot be divided by legislative, congressional or supervisor district boundaries. The Pinal County Democrats urge you to become involved at this most basic level by becoming a Precinct Committeeperson (PC) in

your area. Never underestimate the power of the precinct worker! It is the precinct worker, actively participating at the local level, who wins elections for your fellow Democrats at the local, county, state and national levels.

How to get started... Call(480)678-1756 or fill out the attached Appointment Request and send it to:

PO Box 807, Florence AZ 85132

Duties of a PC

All we ask is do what you're comfortable doing...

1. **Register Democrats** in your area
2. **Persuade Voters...** As a PC, you know our neighbors and the issues important to your area
3. **Get-Out-The -Vote** (GOTV)
4. **Support** the Party Organization
5. **Get** Involved with local clubs, and Legislative District (LD) meetings/events
6. **Fundraise**
